

# \*\*\*DRAFT\*\*\* News Release **#34**

## December 15, 2019

**Port Arthur, Texas** – There have been no significant changes to response efforts. Unified Command, including TCEQ, TPC Group and Jefferson County Office of Emergency Response, continue to focus on activities to secure site equipment and minimize impact to environment, while preserving the safety of emergency responders and the community.

Air and water monitoring is ongoing and continues to confirm no health impact to air or water quality in the community.
